

COVID-19 Update

March 21st, 2022

As of March 21, 2022, the Ontario government has lifted its general masking requirements as well as the requirement to show proof of COVID-19 vaccination to enter high-risk indoor settings. In accordance with this, C Hotel and Baci Ristorante are now operating at 100% capacity and proof of vaccination and use of a face mask are no longer required to access any area of our property. **We extend our respect and compassion as our guests and team members make their own conscious decision to either wear or not wear a mask while indoors. We understand, accept and support everyone's individual choice without judgement and we ask that our guests join us in this mentality.**

International Traveler Information

Subject to limited exceptions, all travelers must use [ArriveCAN](#) (mobile app or web portal) to submit their travel information. If they are eligible to enter Canada and meet specific criteria, fully vaccinated travelers will not have to quarantine upon arrival in Canada. Please review the [Canadian Border Services Agency](#) website prior to traveling.

Please continue to check this website for updates and refer to the covid-19.ontario.ca website to find out what regional public measures are in place in Ontario.
